OBJECTIVES

A dedicated software engineering student with a strong foundation in data analysis and IT principles. I am applying for positions in Data Analytics and Information Technology to leverage my technical skills, gain hands-on experience with real-world data and IT solutions, and collaborate with expert teams. I have strong problem-solving abilities, am innovation-driven, and am committed to continuous learning to excel in the fast-evolving tech industry.

EDUCATION

BSc (Hons) Information Technology specialized in Information Technology

Sri Lanka Institute of Information Technology (SLIIT)

2022-Present

GCE Advanced Level - Physical Science

Results - 1C & 2S

2008-2021

Royal College Colombo-07

SKILLS

- Languages : Java, JavaScript, PHP, SQL, Python, Kotlin, HTML5, CSS3, R
- Framework : React, Node.js, Express.js, Firebase
- Tools and Platforms : Git, VS Code
- Other Skills : Object Oriented Programming (OOP), Data Structures, Algorithms, Database Management (SQL, NoSQL), Version Control, UML, Problem Solving Skills, Business Analytics
- Soft Skills : Problem Solving Skills, Communication Skills in Sinhala, English

PROJECTS

Tinkerbell Vehicle rental system

- Developed a vehicle rental system that allows users to rent and manage car reservations efficiently using PHP, JavaScript, HTML, and CSS.
- Utilized PHP and MySQL to create dynamic backend functionalities, including user authentication, booking management, and vehicle availability checks.

Sustainable Community Management System

- Developed a sustainable community management system using Node.js, React.js, Express.js, MongoDB, and Firebase to enhance community collaboration and resource management.
- Utilized React and Redux for state management and Tailwind CSS for responsive UI design, ensuring a seamless user experience across devices.

Hospital-Timetable-Management-System (Ongoing)

- Developed a hospital timetable management system using Node.js, React.js, and MongoDB to streamline scheduling and improve resource allocation.
- Utilized Redux for state management and Firebase for real-time data updates, enhancing user experience and system efficiency.

LEADERSHIP

Assistant Instructor, Gold Troop, 42nd Colombo Scout Group Royal College, Colombo 07	2017
Assistant Patrol Leader, Hawks Patrol, Gold Troop, 42nd Colombo Scout Group, Royal College, Colombo 07.	

EXTRA CURRICULAR ACTIVITIES

Champions (Hawks Patrol) 27th Lt. Col. M.K.J. Cantlay Challenge Shield, 42nd Colombo Scout Group	2016
First Place U/17 50m Back Stroke, Royal College Inter House Aquatic Meet	2017
First Place U/17 50m Breast Stroke, Royal College Inter House Aquatic Meet	2017
49th Colombo Camporee	2012
Colombo Centenary International Scout Jamboree	2014
50th Colombo Camporee	2015
9th National Jamboree	2016
51st Colombo Camporee	2016
